

CALL FOR APPLICATIONS

EFIC-GRÜNENTHAL GRANT

The European Pain Federation EFIC®
is pleased to announce:

EFIC-GRÜNENTHAL GRANT

RESEARCH GRANTS FOR CLINICAL AND
HUMAN EXPERIMENTAL PAIN RESEARCH

2014

- These biennial grants totalling € 200,000 from Grünenthal GmbH are supporting young scientists early in their career to carry out innovative clinical pain research in any member country of EFIC® (see www.EFIC.org).
- Individual research grants are valued at up to € 40,000 per project for a duration of up to two years.
- Research grants are intended for clinical and human experimental pain research. Research proposals on animals, computer simulations, cell lines etc. will not be considered.
- The decision of the awards is made independently by the Scientific Research Committee of the European Pain Federation EFIC®.

DEADLINE FOR APPLICATION: December 31st 2014

GUIDELINES, QUALITY CRITERIA, ONLINE APPLICATION FORMS: www.e-g-g.info
